

# Your Spouse's Most Recent Deployment

## Survey of Army Families V

- 1. Spouses of currently deployed Soldiers: 2.3% reported the Soldier left for deployment less than 1 month ago.**
- 2. Spouses of currently deployed Soldiers: 70.0% reported that the Soldier left 1 to 9 months ago, 28.8% left 10 to 19 months ago, 0.9% left 20 to 29 months ago, and 0.3% left 30 to 36 months ago.**
- 3. Spouses of currently deployed and deployed and returned Soldiers: 89.1% reported that the Soldier deployed with his or her regular unit, while 10.9% deployed as an individual.**
- 4. Spouses of currently deployed and deployed and returned Soldiers: 52.3% feel that they are coping or did cope very well/well with the Soldier's absence during their most recent deployment. 16.9% feel they are coping or did cope poorly/very poorly.**

# Your Spouse's Most Recent Deployment

## Survey of Army Families V

### 5. Spouses of deployed and returned and not deployed

**Soldiers:** 94.8% reported that, if the Soldier had to go away for an Army assignment for less than 1 month, they would have a slight/no problem coping. This percentage *decreased* as the assignment length *increased*, with 24.3% having slight/no problem if it is over a year and 15.6% if overseas for an undetermined length.

### 6. Spouses of deployed and returned and not deployed Soldiers:

Compared to 2001, *fewer* spouses feel they would have a slight/no problem coping if the Soldier had to go away on Army assignment for 7 to 12 months (43.1% in 2001, 38.0% in 2004/5), more than 1 year (30.2% in 2001, 24.3% in 2004/5), or overseas for an undetermined length (23.8% in 2001, 15.6% in 2004/5).

### 7. Spouses of deployed and returned and not deployed Soldiers:

75.7% reported that if the Soldier had to go away on Army assignment for over 1 year, they would have a very serious/serious/moderate problem coping.

# Your Spouse's Most Recent Deployment

## Survey of Army Families V

8. **Spouses of deployed and returned and not deployed Soldiers:** Compared to 2001, **more spouses feel they would have a very serious/serious/moderate problem coping if the Soldier spouse had to go away on an Army assignment for 7 to 12 months (56.9% in 2001, 62.0% in 2004/5), more than 1 year (69.8% in 2001, 75.7% in 2004/5), or overseas for an undetermined length (76.2% in 2001, 84.4% in 2004/5).**
9. **Spouses of currently deployed and deployed and returned Soldiers:** While the Soldier is/was deployed, spouses and Soldiers use email (49.2%), instant messaging (46.9%), and the telephone (30.4%) **very often/often** to communicate with each other.
10. **Spouses of currently deployed and deployed and returned Soldiers:** While the Soldier was deployed, 18.2% of spouses moved away from the Army post/installation area, 4.5% moved away but stayed at the Army post/installation area for about half or more of the time, while 63.3% did not move away, and 14.0% wanted to move away but did not.

# Your Spouse's Most Recent Deployment

## Survey of Army Families V

### 11. Spouses of currently deployed and deployed and returned Soldiers: Of those who did move away from the Army post/installation area while the Soldier spouse was deployed, the following reasons were very important for moving away:

- Wanted to be near relatives/friends (79.5%)
- Needed child care (47.4%)
- Better job opportunities elsewhere (43.7%)

### 12. All spouses: During the last 12 months or during their Soldier spouse's most recent deployment, spouses were able to manage the following very well/well:

- Obtaining transportation (88.2%)
- Obtaining communication (84.7%)
- Shopping for necessities (83.8%)
- Pet care (81.6%)
- Working at your paid job (79.3%)
- Handling financial matters (79.0%)
- Maintaining safety/security of their home (77.2%)

# Your Spouse's Most Recent Deployment

## Survey of Army Families V

**13. All spouses: Compared to 2001, the percentage of spouses reporting that they managed working at their paid job very well/well while the Soldier was deployed, during the Soldier's most recent deployment or during the last 12 months *decreased (83.1% in 2001, 79.3% in 2004/5)*. The percentage *increased* in the following areas:**

- Handling financial matters (69.9% in 2001, 79.0% in 2004/5)
- Doing regular volunteer work (56.0% in 2001, 62.2% in 2004/5)
- Obtaining transportation (85.1% in 2001, 88.2% in 2004/5)
- Shopping for necessities (80.7% in 2001, 83.8% in 2004/5)
- Doing additional volunteer work (47.0% in 2001, 51.2% in 2004/5)

# Your Spouse's Most Recent Deployment

## Survey of Army Families V

**14. All spouses: During the last 12 months, while the Soldier was deployed or during the Soldier's most recent deployment, spouses managed the following tasks poorly/very poorly:**

- Having to find a job (32.7%)
- Doing additional volunteer work (29.0%)
- Having to quit a job or schooling (28.0%)

**15. All spouses: On managing child care tasks, most spouses who have children reported handling the following tasks very well/well while the Soldier was deployed, during the Soldier's most recent deployment or during the last 12 months:**

- Taking care of child(ren)'s health (91.8%)
- Taking care of child(ren) at home (86.3%)
- Ensuring child(ren) do schoolwork (82.5%)
- Disciplining/handling child(ren) (78.5%)
- Participation in after-school activities (73.4%)
- Participating in school activities (67.4%)

# Your Spouse's Most Recent Deployment

## Survey of Army Families V

16. **All spouses**: Compared to 2001, there has been a *decrease* in spouses reporting they can arrange child care very well/well (65.8% in 2001, 57.8% in 2004/5) while the Soldier was deployed, during the Soldier's most recent deployment or during the last 12 months.
17. **All spouses**: 19.7% reported that they manage the task of arranging for child care poorly/very poorly while the Soldier was deployed, during the Soldier's most recent deployment or during the last 12 months. This is an *increase* over 2001 data (13.7%).
18. **Spouses of currently deployed and deployed and returned Soldiers**: Of those who stayed at the Soldier's post/installation area for more than half of the time, 82.9% chose to stay because they did not want to disrupt their child(ren)'s schooling.

# Your Spouse's Most Recent Deployment

## Survey of Army Families V

- 19. Spouses of currently deployed and deployed and returned Soldiers: Almost one-half of the spouses were very satisfied/satisfied with the information briefing on where families can obtain information or assistance (46.4%) and the information briefing on the FRG's (46.2%) given to them on the Soldier's deployment or most recent deployment.**
- 20. Spouses of currently deployed and deployed and returned Soldiers: 81.7% have or had no serious financial problems because their Soldier spouse is or was deployed.**
- 21. Spouses of currently deployed and deployed and returned Soldiers: Of those who do or did have serious financial problems because their Soldier spouse is or was deployed:**
  - 32.2% had to withdraw savings
  - 30.4% had to get a loan
  - 29.5% did not seek assistance

# Your Spouse's Most Recent Deployment

## Survey of Army Families V

22. **Spouses of currently deployed and deployed and returned Soldiers:** Some of the financial problems spouses have or had while their Soldier spouse is or was deployed include purchasing extra supplies for the deployment (60.6%), the cost to communicate with their Soldier spouse (54.9%), and unplanned or unexpected expenses (44.9%).
23. **Spouses of currently deployed and deployed and returned Soldiers:** More than half are very satisfied/satisfied with the reception of returning deployed Soldiers by the American people (59.7%) and the level of support deployed Soldiers receive from the American people (58.5%).
24. **Spouses of currently deployed Soldiers:** Most spouses reported having a Power of Attorney to act on behalf of the Soldier (92.5%) and an up-to-date will for the Soldier (74.8%) before their Soldier spouse left on the most recent deployment. About one-half (53.4%) had a financial plan to meet emergencies.

# Your Spouse's Most Recent Deployment

## Survey of Army Families V

- 25. Spouses of currently deployed Soldiers:** Since 2001, a **higher percentage of spouses (70.6% for 2001, 92.5% for 2004/5) or someone else (6.1% in 2001, 9.8% in 2004/5) has Power of Attorney to act on behalf of the Soldier when he/she is away and an up-to-date last will and testament for the Soldier (55.3% for 2001, 74.8% for 2004/5) before the Soldier's most recent deployment (2004/5) or in case of an emergency (2001).**
  
- 26. Spouses of not deployed Soldiers:** If the Soldier were deployed for a long period of time, **93.9% of spouses have Power of Attorney to act on behalf of the Soldier. 83.2% have an up-to-date will and testament for the Soldier, 61.5% have an up-to-date will and testament for themselves, and 77.9% have a financial plan to meet emergencies.**

# Your Spouse's Most Recent Deployment

## Survey of Army Families V

**27. Spouses of not deployed Soldiers:** Since 2001, a *higher percentage of spouses have Power of Attorney to act on behalf of the Soldier when he/she is away (70.6% in 2001, 93.9% in 2004/5) and an up-to-date last will and testament for the Soldier (55.3% in 2001, 83.2% in 2004/5) and for themselves (25.5% in 2001, 61.5% in 2004/5) if the Soldier were deployed for a long time (2004/5) or in case of emergency (2001).*

**28. Spouses of not deployed Soldiers:** Spouses reported knowing about the following documents and procedures unique to the Army:

- Their total family financial obligation (94.0%)
- How Soldier's pay entitlements are handled (91.5%)
- How to read Soldier's LES (88.4%)
- Location of insurance policies/other important documents (84.3%)
- Soldier's military pay entitlements (83.0%)

# Your Spouse's Most Recent Deployment

## Survey of Army Families V

29. **Spouses of not deployed Soldiers:** Since 2001, there has been an *increase* in the percentages who know U.S. Army casualty notification procedures (34.6% in 2001, 42.0% in 2004/5) and a *decrease* in percentages who know procedures for contacting the Soldier in an emergency (77.3% in 2001, 72.5% in 2004/5), who contacts the Soldier when there is a unit alert/emergency (63.7% in 2001, 60.0% in 2004/5) and insurance entitlements in event of Soldier's injury/death (77.8% in 2001, 73.5% in 2004/5).
30. **Spouses of currently deployed and deployed and returned Soldiers:** While their Soldier spouse was or is deployed, about one-half of spouses and their children greatly/moderately increased their visits to counselors (50.7%) and their participation in FRG activities (50.5%).

# Your Spouse's Most Recent Deployment

## Survey of Army Families V

- 31. Spouses of currently deployed and deployed and returned Soldiers: During the Soldier's deployment or most recent deployment, spouses were more likely to receive very helpful information regarding their Soldier spouse and his or her unit from:**
- telephone calls from the Soldier (81.6%)
  - emails from the Soldier (65.6%)
  - letters from the Soldier (55.5%)
- 32. Spouses of currently deployed and deployed and returned Soldiers: During the Soldier's deployment or most recent deployment, spouses were least likely to receive very helpful information regarding their Soldier spouse and his or her unit from Army One Source (0.6%), Installation Family Assistance Center (1.7%) or Community/“town hall” meetings (3.1%).**

# Your Spouse's Most Recent Deployment

## Survey of Army Families V

- 33. Spouses of currently deployed and deployed and returned Soldiers: During the Soldier's deployment, spouses reported the following Army agencies/programs/individuals as very helpful:**
  - Family Readiness Group (FRG) (40.4%)
  - Army Community Service (35.5%)
  - Chaplain/Chapel (32.0%)
  
- 34. Spouses of currently deployed and deployed and returned Soldiers: 82.9% were satisfied with the way their marriage was going prior to their spouse's most recent deployment, 9.3% were neutral, and 7.8% were dissatisfied.**
